

# Ain't Nothing to Do

Dead Boys

I'm so sick of T.V.  
You know, I'm getting bored of the tube  
I'm so sick of romance  
And I'm gettin' real sick of you

I wanna get on out of here  
Find me somethin' to do  
Yeah, get on outta here  
Just aint nothin' to do

I'm so sick of FM  
I don't play my stereo too  
Just wanna get out on the street fights  
Just aint nothin' to do

There aint nothin' to do  
Gonna beat up the next hippie I see  
Maybe I'll be beatin' up you  
Look out, baby here I comes

Yeah, Punch out

There aint nothin' to do  
I'm gonna knock down the next old man I see  
Maybe I'll be knockin' down you

There aint nothin' to do
