

## Crawl Back In

Dead By Sunrise

Sometimes I look at my own face  
And I don't know who I am  
I see a piece of everyone I know  
Buried underneath my skin

I don't want to be like them  
I want to crawl back in

It's hard to think of anything  
that I haven't heard before  
I hear these voices in my head  
They could be mine but I'm not sure  
I hear them telling me  
who they think I should be  
Why won't they leave me alone  
I can't deny it I try to fight it  
But I'm losing control

I don't want to be like them  
I want to crawl back in  
Don't want to lose my innocence  
Don't want the world second guessing at my heart  
Don't let your lies take a piece of my soul  
Don't want to take your medicine  
I want to crawl back in

Sometimes I lie  
Sometimes I crawl  
Sometimes I feel like I want to die

I don't want to be like them  
I want to crawl back in

Don't want to lose my innocence  
Don't want the world second guessing at my heart  
Don't let your lies take a piece of my soul  
Don't want to take your medicine  
I want to crawl back in

I want to crawl back in
