

Give Me Your Name

Dead By Sunrise

Give me a smile
Give me your name girl
Give me a sign to get my way
And get what I came for
Because you don't come easy

Give me your hand
Come walk with me girl
Nothing's that far when your near
So come even closer to me
Something so easy to do

And I fall into the ocean
Inside of your arms
Taking me deeper where all the pain goes

Give me a smile
Give me your name girl
Let them know that you're mine
And I'll do the same for you
Because our love comes easy

And I fall into the ocean
Inside of your arms
Taking me deeper where all the pain goes

And I fall into the ocean
Inside of your arms
Taking me deeper where all the pain goes

With a smile into the ocean
Inside of your arms
Taking me deeper giving me new life

You are my whole life
You are my whole life
