

## Let Down

Dead By Sunrise

And the tears fall like rain  
Down my face again  
Oh the words you wouldn't say  
And the games you played  
With my unfoolish heart  
Oh I should have known this from the start

Ohh the winter and spring  
Going in hand in hand  
Just like my love and pain  
How the thought of you cuts deep within the vein  
Oh this brand new skin stretched across scared terrain

I don't want to be let down  
I don't want to live my life again  
Don't want to be lead down the same old road  
So I don't want to be let down  
I don't want to live my lies again  
Don't want to be lead down the same old road

All those years down the drain  
Love was not enough when you want everything  
What I gave to you and now the end must start  
Oh I should have listened to my heart

'Cause I don't want to be let down  
I don't want to live my life again  
Don't want to be lead down the same old road  
So I don't want to be let down  
I don't want to live my lies again  
Don't want to be lead down the same old road

Ohh...

I don't want to be let down  
I don't want to live my life again  
Don't want to be lead down the same old road  
So I don't want to be let down  
I don't want to live my lies again  
Don't want to be lead down the same old road
