## Dead Can Dance

Please, go after him,  
'Cause he delayed them there.  
I see the proud man.

He delayed to see them all.  
All have stayed,  
The bloodstains on the floor.

He left, he's left.  
He's gone today,  
He's gone back,  
He's gone back.  
I just want to make him understand,  
Teach another lesson,  
Make them go and see the proud man.
