```
Tear your empty soul apart, in the name of the holy gore.
```

```
Flesh is gone, soul is gone,
existence gives belief for the dead,
uncertain step without a chance of life,
rips your f**king health off,
```

mouldy worms excrete product of emaciated microbs, prince of circulation of the blood commands to stop.

```
It causes loss of the mind - its name is pain,
it destroys flesh - its name is death,
it builds revenge - its name is hate,
it vomits bile - its name is gore.
```
