

Lost Without Leaders

Dead Letter Circus

I will not be gentile, this was my side
You feel ashamed and change it like rolling fire
I can help for '.see the words '.
Tonight we'll burning, don't be justify
We can, together again
I walk ' never let go ' and starts to blow '
What moment you wait to feel your '
Singing I know that the 'inspire you, you not be lost with I be
lieving
And know that the conscience will guide you
I promise you will grow
I hope the wind, the moment that I'll stay with you never let g
o
'put into the drama and start '
For a moment you'll be '.
Dream about the '.
From the 'to the ...
'make you mind ...to fell this'
And silence be so strongly '
It's not hope but it's in your heart
When you have fate,
It's not hope but you steel try take your fate
I hope the wind, the moment that I'll stay with you let go
Lead us, control us, defined us, make our minds of '
Conform us, guide us, shape our life and teach us to'to answers
And hope just a little bit breath us, to fall in, complain in
Before get more pain, hope before we got more pain
Well before we got more pain
