

Space On The Wall

Dead Letter Circus

Sometimes honesty gets in the way
Help me turn this around I
Feel like everyone's playing a game
I want to turn around
So when everything breaks, it's okay
I'm nervous now in the end

Sometimes honesty pulls me away
Help me turns this round, I
Feel like everyone's playing the game
I'm certain now in the end

When you go home
To the same room
You stare at the space on the wall
And you know that in your mind
It's not right
It's all a mistake, come

I could just so easily fall in
It feels right
I stand closer
Cracks appear in walls
I can see the other side
It's waiting for you ,all that you wanted

When you go home
To the same room
You stare at the space on the wall
And you know that in your mind
It's not right
It's all a mistake, and you're fallin' away

Cause it is true
It defines you
The moment you break is the moment you change
It's all fine From the outside
Waiting for the day that you will know

Yeaaaaaaaaah

Walk away this is wrong
it will stain who you are , You will change
you will become, Ypur mistake

you'll change
you'll become
you're mistake

How far would you go
How far would you go
How far would you go
How far...
