D.J. Hit That Button

Dead or Alive

The way I have to look is I want more than anybody possibly can The way I have to go for it It makes me stand up, shake And feel like a man

* I'm feel just like a radio And when the D.J. hist that button That's the way it was meant to be, yeah! That's the way it feels right for me, yeah! That's the way it was meant to be, yeah! That's the way it feels right for me, yeah!

Anyone can have feet Ooh, but they got to learn to use it There's a special channel here So do you get it or you lose it?

(* repeat)

Hit that button, hit that button Hit that button, hit that button

The way I have to look is I want more than anybody possibly can The way I have to go for it It makes me stand up, shake And feel like a man

(* repeat)

** That's the way it was meant to be, yeah! That's the way it feels right for me , yeah!

(** repeat and fade)
