

Get Out of My House

Dead or Alive

You never loved me, I knew that from the start
All of my friends said that you would break my heart
And how right they were
As the change begins to show
Now I'm telling you to pack you're things and go on go!
Get out of my house, get out of my life
Take only what's yours, take nothing of mine.
Get out of my house, get out of my bed
Going out of my head
Over you
Babe when you walked in
My heart it skipped a beat
And I knew so well, it was bad times I would meet
Everybody said, Girl, you're wasting all your time
Didn't want to know
I had to try and make you mine
Get out of my house...
Everybody's laughing because it's you I'm after
They all said that I must be blind
Everybody's laughing but I block out their laughter
All the same at least you were mine
Just for a time
Just for a very special time
Get out of my house...
Gotta get over gotta get over gotta get over
Over you
Going out of my head day and night
Night and day and Night, wrong or right
I just can't break away
Get out of my house
