

I Promised Myself

Dead or Alive

I promised myself
I promised I'd wait for you
The midnight hour
I know you'll shine on through
I promised myself
I promised the world to you
I give you flowers
You make my dreams come true

How many of us out there
Feel the need to run and look for shelter?

I promised myself
That I'd say a prayer for you
A brand new tomorrow
Where all you wish comes true
I promised myself
That I'd make it up to you
My sister and brother
Know I'm in love with you

How many of us out there
Feel the pain of losing what was once theirs?
God I know what people say about her
No mistake, who can live without love?

How many of us out there
Feel the pain of losing what was once theirs?
God I know what people say about her
No mistake, who can live without love?

I promised myself
I promised I'd wait for you
The midnight hour
I know you'll shine on through
I promised myself
I promised the world to you
I give you flowers
You make my dreams come true

In the midnight hour
I will wait for you
I will wait for you
I will wait for you

In the midnight hour
I will wait for you
I will wait for you
I will wait for you

In the midnight hour
I will wait for you
I will wait for you
I will wait for you

In the midnight hour
I will wait for you

I will wait for you
I will wait for you

I will wait for you,
I will wait for you
