

Sit on It

Dead or Alive

So, you've got a brand new way of life I do not like so,
I'm p-p-p-p-p-packing my things and I'm running around so

Sit on it, sit on it, sit on it.
Sit on it, sit on it, sit on it.
Sit on it, sit on it, sit on it.
Sit on it, sit on it, sit on it.

You, you got the kind of looks that I just cannot take
Oh, the kind of steps that you were set
Well, I really really live long to break, but You must have so
mething,
you must have something
you must have something
you must have something

Sit on it, sit on it, sit on it
Sit on it, sit on it, sit on it.
Sit on it, sit on it, sit on it.
Sit on it, sit on it, sit on it.

You got me switching and bitching- everywhere!
First I get the feeling, and then I just can't feel it where i
t is
I see you but I can't touch you, move on up 'coz I can't feel
you

Sit on it, sit on it, sit on it.
Sit on it, sit on it, sit on it.
Sit on it, sit on it, sit on it.
Sit on it, sit on it, sit on it.

Sit on it, sit on it, sit on it.
Sit on it, sit on it, sit on it.
Sit on it, sit on it, sit on it.
Sit on it, sit on it, sit on it.
