

Something in My House

Dead or Alive

I, I, I, I, I, I, I am being haunted
It's four o'clock in the morning
And I'm sitting on my stairs
And there's bangin' 'round the bedroom
Even though I know there's no one there
And I am here all by myself
And you're somewhere else with someone else
And I am being haunted by a love that isn't there
There is something in my house, my house
It's just a ghost of the long, long dead affair
There is something in my house, my house
I just keep a hearing, you runnin' on up my stairs but you're not there
I, I, I, I, I, I, I am being haunted
I really gotta say it to ya
Ya showed me a good time
But for every minute that you spent laughin'
There were hours that I cried
And I think about what might have been
If I'd never meant that wicked way
That my heart broke into pieces that midnight on Halloween
There is something in my house, my house
It's just a ghost of the long, long dead affair
There is something in my house, my house
I just keep a hearing, you runnin' on up my stairs but you're not there
It's just a ghost of the long, long dead affair
There is something in my house, my house
But you're not there
I, I, I, I, I, I, I am being haunted
And I am here all by myself
And you're somewhere else with someone else
And I am being haunted by a love that isn't there
There is something in my house, my house
It's just a ghost of the long, long dead affair
There is something in my house, my house
I just keep a hearing, you runnin' on up my stairs but you're not there
It's just a ghost of the long long dead affair
There is something in my house, my house
But you're not there
I am being haunted
I am, I am, I am, I
