

## Something in My House

Dead or Alive

I, I, I, I, I, I, I am being haunted  
It's four o'clock in the morning  
And I'm sitting on my stairs  
And there's bangin' 'round the bedroom  
Even though I know there's no one there  
And I am here all by myself  
And you're somewhere else with someone else  
And I am being haunted by a love that isn't there  
There is something in my house, my house  
It's just a ghost of the long, long dead affair  
There is something in my house, my house  
I just keep a hearing, you runnin' on up my stairs but you're not there  
I, I, I, I, I, I, I am being haunted  
I really gotta say it to ya  
Ya showed me a good time  
But for every minute that you spent laughin'  
There were hours that I cried  
And I think about what might have been  
If I'd never meant that wicked way  
That my heart broke into pieces that midnight on Halloween  
There is something in my house, my house  
It's just a ghost of the long, long dead affair  
There is something in my house, my house  
I just keep a hearing, you runnin' on up my stairs but you're not there  
It's just a ghost of the long, long dead affair  
There is something in my house, my house  
But you're not there  
I, I, I, I, I, I, I am being haunted  
And I am here all by myself  
And you're somewhere else with someone else  
And I am being haunted by a love that isn't there  
There is something in my house, my house  
It's just a ghost of the long, long dead affair  
There is something in my house, my house  
I just keep a hearing, you runnin' on up my stairs but you're not there  
It's just a ghost of the long long dead affair  
There is something in my house, my house  
But you're not there  
I am being haunted  
I am, I am, I am, I
