Happiness

Yo, it's a beautiful day, and everybody's feelin' wonderful The ladies is out, lookin' fly, dressed comfortable I love to wake up, and feel the breeze through my window Slip on a fatigues, grab a dutch and roll some indo It be days like these, that make life so much easier Fish thawin' out, Guinness Stout in the freezer Walk the block at my leisure (my leisure) Summertime is like a anesthesia So many pretty things to please ya The greenery Beautiful birds, natural scenery Or even just a infinite sky We be forever puffin' lah On the block, or tellin' jokes in the ride (ha ha ha) When the weather be hot, everybody be outside (whut) Havin' fun (aight?), eatin' fresh fruits and vegetables And good food put me in the mood for a festival Some say the summer make a woman more sexual (s'up, boo) It's instinct -- that's why my game be right on schedule I put the great Mother Nature on a pedestal She always fly, but today, she's exceptional If I had a chance to make a wish Every day would be just like this, full of Happiness I feel great Even though we got mad things to deal with Happiness is all in the mind Let's unwind, and find a reason to smile I'm just glad to be livin' Feelin' fine Leavin' my bad times behind Feels great And no, we can't escape from the realness Happiness is all in the mind Let's unwind, and find a reason to smile I'm just glad to be alive Feelin' fine Livin' life one day at a time Feelin' great Yeah, knaw'msayin'? I just wanna give a shout out To everybody who got a birthday today Happiness (Happiness) Have you ever heard the children play? Sometime, I feel the same way, roll up a j, and get away Put some food on the grill And just chill Maybe build with my elders (uh) Never know the things they could tell ya Learnin' why the caged bird sings (why it do that?) 'Cuz it's the vital things you know that separate the men from the Kings The flowers that bloom and the Sun (uh) And everybody singin' the tune, 'cuz it's time to have fun We out, rollerbladin' (uh, uh), a day where no one coulda stayed inside

Wash the car, now it's time to take a ride Me and my crew hangin' out, all night to sunrise Celebration of life, 'cuz every day is a surprise Think of the rich countryside on the land of Jamaica Mountains, springs and green acres Or any other place in the world your mind takes you It's the good times in life that everybody can relate to (uh) And you can leave your troubles behind And have a wonderful time Lay back and just ease your mind (whut) You can leave your troubles behind And have a wonderful time Lay back and just ease your mind

I feel great Even though we got mad things to deal with Happiness is all in the mind Let's unwind, and find a reason to smile I'm just glad to be livin' Feelin' fine Leavin' my bad times behind

Feels great And no, we can't escape from the realness Happiness is all in the mind Let's unwind, and find a reason to smile I'm just glad to be alive Feelin' fine Livin' life one day at a time Feelin' great
