It's time for some mind sex, we ain't got to take our clothes off yet We can burn the incense, and just chat Relax, I got the good vibrations
Before we make love let's have a good conversation

Time for some mind sex...

before we make love

Yeah, what you know about mind sex?

before we make love

African princess, tell me yo' interests Wait, let me guess boo, you probably like poetry Here's a little something I jotted down in case I spotted you around So let me take this opportunity Would you share a moment with me, over herbal tea? Take a walk verbally, make a bond certaintly Cuz in my hand I bet your hand fit perfectly And it's like we floatin out in space when you flirtin wit me C'mon, a little foreplay don't hurt (hmmm) Imagine my chest under this shirt, your ass under your skirt It's like walking the hot sands and finding an oasis Opposites attract that's the basis Our sex is the wind that seperates the yin from the yang The balance that means complete change, our aim Is to touch you in a delicate spot And once we get it started I ain't trying to stop

But first we have mind sex, we ain't got to take our clothes off yet

We can burn the incense, and just chat Relax, I got the good vibrations Before we make love let's have a good conversation

Mind sex...

She smiles, I smile She walks, no she glides softly by me changing night into day She opens her mouth to speak, and so sounds ring in my head She speaks, and i want to dance to her rhythm She moves ever so gently, increasing my desires, As i place my arms around her waist, Hold and squeeze unto me, I want to melt into her body, and discover the base of her warmth Her beautiful black body that, no human mind could ever conceive She's love She's truth She's real, as real as the stars that shine in the heavens As real as the sun that bathes her body, As real as the moon that glows and the birds that sing and the rose That blossoms in spring for she is that rose And not just any rose, But a black rose, Black rose stands tall and stronger than any other plant A black rose, that stands as creator, of nations of That never loses her petals, and blossoms all year round Black rose, Sweet rose, Thornless rose Eternal rose Please look my way, Please look my way Please look my way

Black rose
