

## Chum Fiesta

Dead To Fall

Crashing Flowing Swirling  
Right from the start  
Gnashing Ripping Bleeding  
Quickly tears my flesh apart  
Through my cloudy vision  
Billows of crimson  
Signal the feast  
One last bite, Coming from all sides  
Confusion, pain, mortality  
Reminds  
That I cannot live  
My last hope believe they let me go  
Now which way is home?  
Now which way is home?  
OH SHIT!!!  
Here they come again  
OH SHIT!!!  
Here they come again  
Quickly tears my flesh apart  
Here they come again  
CHUM! CHUM! CHUM! CHUM! CHUM! CHUM! CHUM! CHUM!  
My last hope for survival  
My last attempt at freedom  
My last pointless struggle  
Sts me free  
They have the right to reclaim whats rightfully theirs  
CHUM FIESTA!!!  
Quickly tear my flesh apart  
Crashing Flowing Swirling  
Right from the start  
Gnashing Ripping Bleeding  
Quickly tear my flesh apart  
Crashing Flowing Swirling  
Right from the start  
Gnashing Ripping Bleeding  
Quickly tears my flesh apart  
AAAAAAAAAAAAHHHHHHH!  
AAAAAAAAAAAAHHHHHHH!  
AAAAAAAAAAAAHHHHHHH!  
Quickly tears my flesh apart
