

## Master Exploder

Dead To Fall

Cursed by everyone I have known  
Lost control, now I'm alone  
I hate this about myself  
That you asked forgiveness  
And I watched you burn  
When every one of your promises falters and fails  
As I know they would  
I turn my back and go it alone, alone  
When it seems it can't get worse  
Burn it down, build it back  
I will never see things the way you do  
I cannot entertain the possibility of forgiveness  
There is no way I can just forgive and forget  
And for that I will be condemned and...
