

## Still Heartbeat

## Dead to Me

Your eyes won't open  
And I can talk until I'm blue in the face  
I want you to die a simple death  
Like a heart attack or a bullet in the brain

To this sound

Every time I turn around you say something  
And all I hear are empty words that die  
I wish I could have said or felt your stare instead  
But I know it's too late for that now

I'm sorry I let you down  
And I'm probably the one you'll blame  
But I want to die a simple death  
Like a heart attack or a bullet in my brain

You let me down  
A still heartbeat, I wanna hear that sound
