

Down In The Lab

Deadbolt

I have your friends
All down below
They want to stay
And never go

Shut up!

Down in the lab

You say I'm mad? Ha!
Well, maybe so
But they want to stay
And never go
Hahahaha ha!

Down in the lab

Down in the lab

I'll see you
Down in the lab
I'll see you
Down in the lab
I'll see you
Down in the lab
I'll see you
Down in the lab
I'll see you
Down in the lab
I'll take you
Down in the lab

Oh
Oh
Oh
