

## Paranoia Extravaganza

DeadLock

Try to keep your dark secrets  
Always at the bottom  
But all those lies  
Will never  
Be forgotten

You find your own way and climb  
The highest mountains behind  
Those close drawn curtains  
I will always keep my faith  
Dance all fears away

Just pretended not to  
Remember all your false behavior  
Fake pomp leads  
You to  
Your downfall

You find your own way and climb  
The highest mountains behind  
Those close drawn curtains  
I will always keep my faith  
Dance all fears away

Gifted wealth but no bills payed  
Fake love will rain on your parade  
The only one who really knows  
What you do  
Is your own shadow

You find your own way and climb  
The highest mountains behind  
Those close drawn curtains  
I will always keep my faith  
Dance all fears away
