

# Temple Of Love

DeadLock

Oh, temple of love

In the temple of love you hide together  
Believing pain and fear outside  
But someone near you rides the weather  
And the tears he cried will rain on walls

As wide as lovers eyes

In the temple of love, shine like thunder  
In the temple of love, cry like rain  
In the temple of love, hear my calling  
In the temple of love, hear my name

With the sunlight died and night above me  
With a gun for a lover and a shot for the pain inside

You run for cover in the temple of love  
You run for another it's all the same  
For the wind will blow  
And throw your walls aside

With the fire from the fireworks up above  
With a gun for a lover and a shot for the pain  
You run for cover in the temple of love  
I shine like thunder cry like rain

And the temple of love grows old and strong  
But the wind blows longer cold and long  
And the temple of love will fall before  
This black wind calls my name to you no more

Oh, temple of love

In the black sky thunder sweeping  
Underground and over water  
Sounds of crying weeping will not save  
Your faith for bricks and dreams for mortar

All your prayers must seem as nothing  
Ninety-six below the wave  
When stone is dust  
And only air remains

In the temple of love, shine like thunder  
In the temple of love, cry like rain  
In the temple of love, hear my calling  
And the temple of love is falling down
