

## Raise Your Weapon

deadmau5

Rippin' my heart was so easy, so easy  
Launch your assault now, take it easy  
Raise your weapon, raise your weapon,  
One word and it's over

Rippin' through like a missile,  
Rippin' through my heart,  
Rob me of this love  
Raise your weapon, raise your weapon, and it's over

Love your ego, you won't feel a thing  
Always number one,  
The pen with a bent wrist crooked king  
Sign away our peace, for your war  
One word and it's over  
Dropping your bombs now, on all we've built  
How does it feel now to watch it burn, burn, burn?  
Raise your weapons, raise your weapons, and its over

Rippin' through like a missile,  
Rippin' through my heart,  
Rob me of this love  
Raise your weapon, raise your weapon, and it's over

How does it feel now to watch it burn, burn, burn?

Rippin' my heart was so easy, so easy  
Launch your assault now, take it easy  
Raise your weapon, raise your weapon, one word and it's over

Rippin' through like a missile,  
Rippin' through my heart,  
Rob me of this love  
Raise your weapon, raise your weapon, and it's over

Love your ego, you won't feel a thing  
Always number one,  
The pen with a bent wrist crooked king  
Sign away our peace, for your war  
One word and it's over  
Dropping your bombs now, on all we've built  
How does it feel now  
To watch it burn, burn, burn?  
Raise your weapons, raise your weapons, and its over
