Send Me An Angel

Deadstar Assembly

Send me an angel Send me an angel Right now Right now Send me an angel Send me an angel Right now Right now Do you believe in heaven in above Do you believe in love Don't tell a lie Don't be false or untrue It all comes back to you Open fire on my burning heart I've never been lucky in love My defenses are down A kiss or a frown I can't survive on my own If a girl walks in And carves her name in my heart I'll turn and run away Everyday we've all been lead astray It's hard to be lucky in love It gets in your eyes It's making you cry Don't know what to do Don't know what to do Looking for love Calling heaven above Send me an angel Send me an angel Right now Right now Send me an angel Send me an angel Right now Right now Empty dreams can only disappoint In a room behind your smile But don't give up Don't give up You can be lucky in love It gets in your eyes It's making you cry Don't know what to do Don't know what to do Looking for love Calling heaven above Send me an angel Send me an angel Right now Right now Send me an angel
