

## The Past Six Years

Deaf Havana

These days my friends aren't who they used to be  
We were all sinners and drunks but now they're too mature for me  
Because Mike's on daytime radio and Jon played Reading and Leeds  
But I'm still playing The Purple Turtle on new years eve

We are sick and we are tired  
We're all fools and worthless liars  
Young and unemployable  
lonely, drunk and beautiful  
we are sick and we're so tired.  
So tired.

Through these cynical, old, bitter eyes, The future's hard to see  
These songs do not mean half as much as they should do to me  
Because I made plans of being more than just that band  
Who had that song about friends and not much else

We are sick and we are tired  
We're all fools and worthless liars  
Young and unemployable  
Lonely, drunk and beautiful  
We are sick and we're so tired.  
So tired.

I'm not getting any younger  
My bones aren't getting any stronger  
My breath won't last for that much longer.

We are sick and we are tired  
We're all fools and worthless liars  
Young and unemployable  
Lonely, drunk and beautiful  
We are sick and we're so tired.  
So tired.
