

Losing My Balance

Dean Brody

I'm at the edge of a cliff,
And you've got me losing my balance.
Lost in the lights, as the band plays an old type of slow dance
.

The calm in your eyes, the perfume on your neck.
I'm holding my ground, but I wanna give in.

It's a long way to fall, but your hard to resist,
Cause I'm drunk from the potion and taste on your lips.
And I'm ready to give love a chance.
I'm at the edge of a cliff, you've got me losing my balance.

Around and around,
Like two pawns on a chess board, you've captured my heart.
Still unaware, that girl I'd follow you to wherever you are.
You say you feel safe with your head on my chest,
I can't help myself from leaning over the ledge.

It's a long way to fall, but your hard to resist,
Cause I'm drunk from the potion and taste on your lips.
And I'm ready to give love a chance.
I'm at the edge of a cliff, you've got me losing my balance.

I thought that I could live life without you
And up to till then I've been strong.
But there's so many things girl, that I'd miss about you
If we didn't give this a shot.

It's a long way to fall, but your hard to resist,
Cause I'm drunk from the potion and taste on your lips.
And I'm ready to give love a chance.
I'm at the edge of a cliff, you've got me losing my balance.

Ohh,
I'm at the edge of a cliff,
You've got me losing my balance.
