

# Stay

Dean Geyer

All the maps on the wall  
Are held there with pins  
To show where we've been.  
A box of our memories  
Are packed by the door,  
The end of our war.  
As I watch you sleep  
your hand still reaches for mine.

You are so beautiful,  
You are,  
I want you to know  
I won't let it go,  
I won't let it slip  
Any day of the week.

I should not talk  
But I would like to say,  
I want you to know  
I want you to stay  
Here

Our songs that we've sung  
like a slip of the tongue  
Forgotten old time  
so give, give me your best shot  
put me to the test, the bullet proof vest

You are so beautiful,  
You are,  
I want you to know  
I won't let it go,  
I won't let it slip  
Any day of the week

I should not talk  
But I would like to say  
I want you to know  
I want you to stay  
Here

If you give the word  
If you sense a sign  
To come back this way  
To come today

Just give me the word  
Just give me the sign  
Oh yeah yeah

I want you to know  
I won't let it go  
I won't let it slip  
Any day of the week

I should not talk  
But I would like to say

I want you to know  
I want you to stay  
Here, Please
