

# Written All Over Your Face

Dean Geyer

Save your breath  
I see the storm comin'  
I feel the clouds closin'  
Hush your mouth. I'll find the words for you

Oh your poor heart don't feel the same  
We'll still be friends  
But I'm alone again

So you don't have to say  
What you're thinkin now  
Baby don't be afraid  
I'll try and make it easy for you  
I'll cry the tears a little later on  
You don't need to worry  
I know I have been replaced  
It's written all over your face

You wish you could  
Feel the way that I do  
You never meant to hurt me  
The clichés good. Theres someone out there waiting

Oh that I'll find along the way  
But I thought that was you?  
Yet I'm alone again

So you don't have to say  
What you're thinkin' now  
Baby don't be afraid  
I'll try and make it easy for you  
I'll cry the tears a little later on  
You don't need to worry  
I know I have been replaced  
It's written all over your face

It's the hardest thing  
You've ever had to do  
You just wanna tell the truth  
Well that's nice of you

But you don't have to say  
What you're thinkin' now  
Baby don't be afraid  
I'll try and make it easy for you
