

Written All Over Your Face

Dean Geyer

Save your breath
I see the storm comin'
I feel the clouds closin'
Hush your mouth. I'll find the words for you

Oh your poor heart don't feel the same
We'll still be friends
But I'm alone again

So you don't have to say
What you're thinkin now
Baby don't be afraid
I'll try and make it easy for you
I'll cry the tears a little later on
You don't need to worry
I know I have been replaced
It's written all over your face

You wish you could
Feel the way that I do
You never meant to hurt me
The clichés good. There's someone out there waiting

Oh that I'll find along the way
But I thought that was you?
Yet I'm alone again

So you don't have to say
What you're thinkin' now
Baby don't be afraid
I'll try and make it easy for you
I'll cry the tears a little later on
You don't need to worry
I know I have been replaced
It's written all over your face

It's the hardest thing
You've ever had to do
You just wanna tell the truth
Well that's nice of you

But you don't have to say
What you're thinkin' now
Baby don't be afraid
I'll try and make it easy for you
