

## A Hundred Years From Today

Dean Martin

Don't save your kisses just pass them around  
You'll find my reason is logically sound  
Who's gonna know that you passed them around  
A hundred years from today

Why crave a penthouse that's fit for a queen  
You're nearer heaven on mother earth's green  
If you had millions what would they all mean  
A hundred years from today

So laugh and sing  
Make love the thing  
Be happy while you may  
There's always one  
Beneath the sun who's bound to make you feel that way

The moon is shining and that's a good sign  
Cling to me closer and say you'll be mine  
Remember darling we won't see it shine  
A hundred years from today  
A hundred years from today

The moon is shining and that's a good sign  
Cling to me closer and say you'll be mine  
Remember darling we won't see it shine  
A hundred years from today  
A hundred years from today
