

# Cheatin' On Me

Dean Martin

(Cheatin' baby cheatin' baby cheatin' baby)  
Your cheatin' on me  
Cheatin' on me  
You're not the kind of a sweetheart I hoped you be  
I trusted you thought you'd be true  
My love was so strong that I went along  
Never dreaming you do me so wrong  
Love is a game and I played on the square  
But you're the kind who can never play fair  
I may forgive but sure as you live  
Some day you're gonna be sorry oh you cheated on me

(Don't cry who lied I know all that you've done)  
(Each butterfly has to pay for her fun)

I may forgive but sure as you live  
Some day you're gonna be sorry you cheated on me  
Hah little kidding  
You're gonna be sorry sorry you cheated on me  
(Cheatin' baby cheatin' baby)  
(Both) You cheated on me
