

# Drowning In My Tears

Dean Martin

I've cried so much over you and I'm drowning in my tears  
Oh it's no wonder I'm going under drowning in my tears  
You hurt me so in many ways and I spent so many years  
Walking and thinking so now I'm a sinking drowning in my tears  
I keep on crying for help but you turned your back on me  
I'm over my head in misery  
I guess I'll go on this way till all of me disappears  
Live in a bubble and in my trouble drowning in my tears  
(I keep on crying for help but you turned your back on me)  
I'm over my head in misery  
I guess I'll go on this way till all of me disappears  
Live in a bubble and in my trouble drowning in my tears
