

Everybody But Me

Dean Martin

Everybody, everybody, everybody but me
Everybody's got someone carin'
Everybody's got a love they're sharin'
Everybody, everybody but me

Everybody's gettin' ready
Everybody is goin' steady
Everybody, everybody but me

I stay home on a Friday nights
I go to bed at eight
Saturday nights I'm all alone
'Coz I still ain't got a date

Everybody's out romancin'
Havin' fun and they're going dancin'
Everybody, everybody but me

Everybody, everybody but me

Well, I stay home on a Friday nights
I go to bed at eight
On Saturday nights I'm all alone
'Coz I still ain't got a date

Everybody's got someone carin'
Everybody's got a love they're sharin'
Everybody, everybody but me
Everybody, everybody but me

Everybody but me
