

Give Me A Sign

Dean Martin

It's such a heavenly sight
Stars are shining just right
And if your heart is thumping just like mine
Give me a look give me a word give me a sign

I yearn for one little kiss
Can't continue like this
I get a crazy feeling down my spine
Give me a look give me a word give me a sign

What can I say what can I do
I love to go around with you
But dear it's much too much
When romancing I find that we're going Dutch

I feel suspended in air
You suspended me there
So darling please have pity say you're mine
Give me a look give me a word give me a sign

(Such a heavenly sight)
(Stars are shining just right)
(And if your heart is thumping just like mine)
(Give me a look give me a word give me a sign)

(I yearn for one little kiss)
(Can't continue like this)
(I get a crazy feeling down my spine)
(Give me a look give me a word give me a sign)

What can I say what can I do
I love to go around with you
But dear it's much too much
When romancing I find that we're going Dutch

I feel suspended in air
You suspended me there
So darling please have pity say you're mine
Give me a look give me a word give me a sign
(Both) Give me a kiss give me a cue give me a hug
(Both) Give me a clue give me a look give me a word give me a sign
