

# I Can't Help Remembering You

Dean Martin

I can't forget your mem'ry haunts me yet  
I can't forget the way you used hold me so tight  
Day after day my thoughts just seem to stray  
Back to those happy days and to those wonderful nights  
Your smiling face when my world turned away  
Gave me the strength to go on through each blue day  
I can recall the magic of it all but I can't help remembering y  
ou  
Your smiling face...
