

## It Just Happened That Way

Dean Martin

I didn't plan to fall in love with you it just happened  
that way  
And all the time inside my heart I knew that I'd regret  
it some day  
Now I can't stand to be away from you but I'm alone every  
day  
I didn't plan to fall in love with you it just happened  
that way

I saw you and I loved you why I I'll never know  
There wasn't one chance in a million that our love would  
grow  
You were too far above me any fool could plainly see  
But like driftwood on the river I floated on helplessly

I didn't plan to fall in love with you...
