

It's a Good Day

Dean Martin

Yeah it's a good day for singin' a song
And it's a good good day for movin' along
Yeah it's a good day how could anything go wrong
A good day from morning till night

Yes it's a good day for shinin' your shoes
And it's a good good day for losin' the blues
Everything to gain and nothing to lose
Cause it's a good day from morning till night

I said to the sun good morning sun rise and shine today
You know you've got to get goin' if you're gonna make a showin'
And you know you've got the right of way

Cause it's a good day for payin' your bills
And it's a good day for curin' your ills
So take a deep breath and throw away your pills
Cause it's a good day from morning till night

(I said to the sun good morning sun rise and shine today
You know you've got to get goin' if you're gonna make a showin'
And you know you've got the right of way)

Cause it's a good day for payin' your bills...
Good day from morning till night yeah
(Good good day from morning till night)
