

# It's the Talk of the Town

Dean Martin

I can't show my face  
Can't go anyplace  
People stop and stare  
It's so hard to bear  
Everybody knows you left me  
It's the talk of the town.

Everytime we meet  
My heart skips a beat  
We don't stop to speak  
Though it's just a week  
Everybody knows you left me  
It's the talk of the town.

We send our invitations  
To friends and relations  
Advancing our wedding day  
Friends and relations  
Gave congratulations  
How can you face  
And what can you say.

Let's make up sweetheart  
We can't stay apart  
Don't let foolish pride  
Keep you from my side  
How can love like ours be ended  
It's the talk of the town...
