

It's the Talk of the Town

Dean Martin

I can't show my face
Can't go anyplace
People stop and stare
It's so hard to bear
Everybody knows you left me
It's the talk of the town.

Everytime we meet
My heart skips a beat
We don't stop to speak
Though it's just a week
Everybody knows you left me
It's the talk of the town.

We send our invitations
To friends and relations
Advancing our wedding day
Friends and relations
Gave congratulations
How can you face
And what can you say.

Let's make up sweetheart
We can't stay apart
Don't let foolish pride
Keep you from my side
How can love like ours be ended
It's the talk of the town...
