## It's the Talk of the Town

**Dean Martin** 

I can't show my face
Can't go anyplace
People stop and stare
It's so hard to bear
Everybody knows you left me
It's the talk of the town.

Everytime we meet

My heart skips a beat

We don't stop to speak

Though it's just a week

Everybody knows you left me

It's the talk of the town.

We send our invitations
To friends and relations
Advancing our wedding day
Friends and relations
Gave congratulations
How can you face
And what can you say.

Let's make up sweetheart
We can't stay apart
Don't let foolish pride
Keep you from my side
How can love like ours be ended
It's the talk of the town...
