

## Just a Little Bit South of North Carolina

Dean Martin

Just a little bit south of North Carolina  
That's where I long to be  
In a little brown shack in South Carolina  
Someone waits for me  
In each letter she says that the weather is fine and the folks  
are feeling great  
That the garden looks grand and the red rose vine is clinging t  
o the gate

Just a little bit south of North Carolina  
That's where my thoughts all stray  
To the one I love best in South Carolina  
I'm going back some day  
I can hardly wait to see the face of the one I like  
Just a little bit south of North Carolina  
I'll find paradise

Just a little bit south of North Carolina  
That's where my thoughts all stray  
To the one I love best in South Carolina  
I'm going back some day  
I can hardly wait to see the face of the one I like  
Just a little bit south of North Carolina  
I'll find paradise
