

La Vie En Rose

Dean Martin

Hold me close, and hold me fast,
The magic spell you cast,
This is la vie en rosé.

When you kiss me heaven sighs,
And tho I close my eyes,
I see La vie en rosé.

When you press me to your heart,
I'm in a world apart,
A world where roses bloom.

And when you speak, angels sing from above,
Everyday words, seem to turn into love songs.

Give your heart and soul to me,
And life will always be La vie en rose.

La da da dee la da dee da da da da

Everyday words, seem to turn into love songs.
Give your heart and soul to me, and life will always be
La vie en rose.
