

Let Me Know

Dean Martin

Let me know the moment he lets you go
I'll be here to welcome you to my arms yes
I know how you feel
After a love affair is through
That's how I felt when you left me
I still love you

Let me know the moment you're feeling blue
Come to me and I'll never let you go no
I'll always love you can't you see dear
Let me know the moment that you need me

I'll always love you can't you see dear
Let me know the moment that you need me
