

Let Me Love You Tonight

Dean Martin

Let me love you tonight
Let me tell you how much I adore all your charms
Though you leave me tomorrow for this night
We'll borrow a love song

Let me love you tonight
Let me thrill to the touch of your sheltering arms
'Til the scent of the roses
Caresses and closes your eyes

Let me kiss you tonight while the stars in the sky
Give a heavenly light
So when love is an ember
My heart will remember this sight

Live a lifetime of love in a moment
Holdin' me tight
Then forget me, darlin'
Only let me love you tonight

Live a lifetime of love in a moment
Holdin' me tight
Then forget me, darlin'
Only let me love you tonight

Let me love you tonight
Let me love you tonight
