

Little Did We Know

Dean Martin

Little did we know the day we said hello
That you'd be the one for me
Little did we dream our hearts would play a theme
That soon was a symphony

Little did we know one sweet caress
Would lead the way to happiness
Yes, little did we know the love we'd share
That now we'd know how much we care

Little did we guess one sweet caress
Would lead the way to happiness
Yes, little did we know the love we'd share
But now we know how much we care
