## **Love (Your Spell Is Everywhere)**

## **Dean Martin**

Love, your magic spell is everywhere Love, I know you well and found you fair Then you left me and my life's at fate Now I ask is it too late

Love your melody is in the air

Yet I call you and you are not there

Come here is my heart, my soul to mate

Make me forget the voice that whispers "wait"

Love your melody is in the air

Yet I call you and you are not there

Come here is my heart, my soul to mate

Make me forget the voice that whispers "wait"

Make me forget the voice that whispers "wait"
