

## Once in a While

Dean Martin

Once in a while give a thought to me once in a while  
Once in a while will you try to give one little thought to me  
Though someone else may be nearer your heart  
Once in a while will you dream of the moment I shared with you  
Moments before we two drifted apart

In love's smoldering ember one spark may remain  
If love still can remember, the spark may burn again  
I know that I'd be contented with yesterday's memories  
Knowing you think of me once in a while

In love's smoldering ember one spark may remain  
If love still can remember, the spark may burn again  
I know that I'd be contented with yesterday's memories  
Knowing you think of me once in a while
