

## Peddler Man (Ten I Loved)

Dean Martin

Come along ladies look and buy  
Come along ladies don't be shy  
Ladies, ladies here's the peddler man

I'm just a poor but honest peddler  
I got a wagon and a donkey  
If you need pots, I've got lots  
Need a hat, I've got that  
Take your time, I've got time

I'm still in my prime Peddler Man  
Ten I love, nine I've forgot  
Giddiup donkey, one more mile  
Giddiup donkey, stop awhile  
What a lot of pretty girls I've met

Ten I love, nine I forgot  
Giddiup donkey, don't be slow  
Giddiup donkey, home we go  
To the only one I can't forget (Peddler Man, Peddler Man)  
I like to hear the daughters calling  
Oh mama mama here's the peddler man  
You want a gown blue or brown  
Want some hose, I've got those  
Look and buy, don't be shy  
I can satisfy (Peddler Man, Peddler Man)

(Ten he loved, nine he forgot)  
Giddiup donkey one more mile  
Giddiup donkey stop awhile  
What a lot of pretty girls I've met

Ten I loved, nine I forgot  
Giddiup donkey don't be slow  
Giddiup donkey home we go  
To the only one I can't forget (Peddler Man, Peddler Man)
