

## Send Me The Pillow You Dream On

Dean Martin

(So darling I can dream on it too)  
Send me the pillow that you dream on  
Don't you know that I still care for you  
Send me the pillow that you dream on  
So darling I can dream on it too

Each night while I'm sleeping oh so lonely  
I'll share your loving dreams that once were true  
Send me the pillow that you dream on  
So darling I can dream on it too

(I've waited so long for you to write me)  
But just a memory's all that's left of me  
So send me the pillow that you dream on  
So darling I can dream on it too  
So darling I can dream on it too
