

Shades

Dean Martin

These shades can hide
The teardrops cryin'.
But not the way,
I feel inside.
These shades can only
Due the part, Oh yeah.
But these shades can't hide
The broken heart.

These shades can hide
My red, red eyes.
But not the hurt left
By your lies.
These shades can only
Due the part, Oh yeah.
But these shades can't hide
The broken heart.

Dark shades I'll
Keep on wearin', As long.
I'm still on carin'
For you and i still in love.
So, Oh why did you go now!

These shades can hide
My eyes away.
But not the pain,
I feel each day!
These shades can only
Due the part, Oh yeah.
But these shades can't hide
The broken heart.
But these shades can't hide
The broken heart.
But these shades can't hide
The broken heart.
